RENEWED PETITION UNDER 37 CFR §1.137(b)

Dear Sir:

Your decision, dated August 9, 2011, to dismiss Petitioner's petition for revival of the Present Application based upon unintentional delay is hereby acknowledged. The Present Application went abandoned on July 30, 2010, because Petitioner failed to reply timely to your Office Action of April 29, 2010. In your letter, you cited two reasons for your dismissal decision:

1. Petitioner's failure to satisfy the conditions for revival based upon unintentional delay by not providing a proper statement or showing under 37 CFR §1.137(b); and

2. failure to submit a proper reply to your Office Action of April 29, 2010.

REQUEST FOR EXTENSION OF TIME UNDER 37 CFR §1.136(a)

Petitioner hereby requests a two-month extension of time to request reconsideration of your petition dismissal. The appropriate small entity fee is submitted herewith.

STATEMENT OF UNINTENTIONAL DELAY

The entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional.

REQUEST FOR CONTINUED EXAMINATION (RCE)

Petitioner hereby requests continued examination of the Present Application, and submits Form PTO/SB/30/EFS along with the small entity fee for filing an RCE. Petitioner also submits a reply to your Office Action of April 29, 2010 along with amendments to the specification, claims, and drawings, which the Petitioner believes will place the Present Application into condition for allowance.

PETITION FEE PREVIOUSLY SUBMITTED

Petitioner filed a petition for revival of the Present Application based upon unintentional abandonment on June 28, 2011. At that time, a small entity petition fee of \$810 was paid. It is our understanding that it is not necessary to resubmit this petition fee that was already paid. If our understanding is incorrect, Petitioner would appreciate the courtesy of a reply that allows him to submit this fee.

PETITIONER'S ATTEMPT TO SATISFY DEFICIENCIES

By submitting this Renewed Petition, the Petitioner has made a good faith attempt to comply with the requirements of 37 CFR §1.137(b). However, if this

Renewed Petition is deficient in any respect, the Petitioner would appreciate the opportunity to correct any such deficiencies.

Respectfully submitted,
